

QUALITY WOOD PRODUCTS

T&R Company

Tree Boxes: We manufacture a complete line of standard tapered tree boxes from 12" to 22" and all sizes in between. In addition, we work with our customers on many custom sizes and designs for retail or wholesale growing. We also can apply a water-based stain in a variety of colors.

Tree Stakes: We offer a complete line of stakes in high quality Redwood and economical Douglas fir. Each stake is individually graded by one of our craftsmen to our high quality standards. Sizes are 1/2" x 1/2", 1 x 1", 1-1/2" x 1-1/2", 1-1/2" x 1-3/8", 1 x 1-1/2" in lengths from 24" - 10'. We can do any stake stained, natural, and treated with decay resistant materials.

Trellises: Dress up your plant with one of our decorative trellises. Each trellis is handmade to our high quality standards. We use specially designed staples to develop a stronger hold. Stained or natural, these are a great addition to any plant.

Round Tree Stakes: For those areas that require extra staking needs. We inventory sizes in 2" and 3" in 8', 10' and 12' lengths. Call us when you have those heavy duty staking needs.

Custom Logos: Advertise your name when you ship that tree. T&R can create a stencil of your name or logo and personalize your tree boxes. What a wonderful way to show off your name and product around town at job sites or in the nursery.

Decorative Wood Products: Check out our Kelmar line of beautifully designed home and garden products for high-end retail at www.kelmarcreations.com.

Trust & Reliability for Over 40 Years
